Dear [REDACTED]

STATINTL

I want to express my sincere appreciation to you for permitting [REDACTED] to take time from his busy schedule [REDACTED] to serve as a [REDACTED] consultant to the Central Intelligence Agency. His technical knowledge and advice will be of great help to us in estimating the industrial and military potential of the Communist countries. Our discussions with him on 21 and 22 August were very productive.

I personally had a very fruitful discussion with him and we both reminisced a bit about our Moscow experiences.

Once again many thanks.

Sincerely,

STATINTL
